

OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses

Options within specific majors listed in italics

College of Agricultural Sciences

(Strand Hall 147, 541-737-2211)

Agricultural and Food Business Management

Agricultural Sciences

Animal Sciences

Animal Behavior Animal Production

Animal BioHealth/Pre-Professional Equine

Rangeland Science

Biological Data Sciences

Genomics Ecological & Environmental Informatics

Computational Biology

BioResource Research

Numerous Interdisciplinary options – see College website

Botany

Comprehensive Botany Customizable Option

Ecology, Evolution, and Conservation

Molecular, Cellular, & Genomic Botany

Plant Pathology

Crop & Soil Science

Agronomy Plant Breeding & Genetics Soil Science

Environmental Economics & Policy

Fisheries, Wildlife, and Conservation Sciences

Food Science & Sustainable Technologies

Food Science Fermentation Science

Enology & Viticulture

Horticulture

Ecological Management of Turf, Landscape, & Urban Hort.

Horticultural Research Plant Breeding & Genetics

Sustainable Horticulture Production

Therapeutic Horticulture Viticulture & Enology

General Horticulture (Ecampus only)

Rangeland Sciences

Habitat Management Pastoral Systems of the World

Sustainable Livestock Ranching

Sustainable Rangeland Ecosystem Stewardship

Sustainability Double Degree (supplementary degree - paired with any primary major) (Corvallis, Cascades)

College of Business

(Austin Hall 122, 541-737-3716, studentservices@oregonstate.edu)

Accountancy (Corvallis, Ecampus)

Information Security, Assurance, and Analytics (Corvallis only)

Apparel Design

Business Administration (Corvallis, Ecampus, Cascades, PDX)

Digital Marketing (Ecampus only)

Family Business (Corvallis, Ecampus)

General Business (Cascades, Ecampus)

Hospitality Management (Cascades, Ecampus)

Innovation & Entrepreneurship (Corvallis, Ecampus, Cascades)

Marketing (Ecampus only)

Merchandising Management (Corvallis only)

Retail Management (Ecampus only)

Sports Business (Corvallis, Ecampus)

Supply Chain & Logistics Management (Corvallis or Ecampus)

Business Analytics (Corvallis or Ecampus)

Digital Marketing Analytics Human Resource Analytics

Market Research & Consumer Analytics

Business Information Systems (Corvallis or Ecampus)

Design & Innovation Management

Finance (Corvallis or Ecampus)

Financial Planning (Corvallis or Ecampus)

Hospitality Management (Cascades or Ecampus)

Interior Design

Management (Corvallis or Ecampus)

Marketing (Corvallis or Ecampus)

Merchandising Management

Supply Chain & Logistics Management (Corvallis or Ecampus)

International Business can be added as an option to any of the business majors listed above for Corvallis or Cascades

Dean's Academy is an invitation only option for any of the Corvallis-based business majors listed above

Innovation Management Double Degree (pair with a non-business primary major)

College of Earth, Ocean, & Atmospheric Sciences

(Wilkinson Hall 104, 541-737-1201)

Climate Science

Environmental Sciences

Numerous Interdisciplinary options – see: [Environmental Sciences](#)

[Areas of Specialization](#)

Geography & Geospatial Science

Geology

Oceanography

College of Education

(Furman Hall 104, 541-737-4661)

Teaching - Elementary Education options (Cascades, Corvallis)

Education Double Degree Program (Corvallis). Allows OSU students to pair Education as a secondary degree with their primary degree to earn their teaching license for secondary education in these areas:

Advanced or Foundational Mathematics Biology Chemistry

Family and Consumer Sciences Health

Integrated Science Language Arts (English) Social Studies

College of Engineering

(Johnson Hall 114, 541-737-5236)

Architectural Engineering

Ecological Engineering

Nuclear Engineering Radiation Health Physics

Bioengineering Chemical Engineering

Environmental Engineering

Civil Engineering

Construction Engineering Management

Computer Science

Computer Systems (Corvallis only)

Applied (Corvallis, Cascades, or Ecampus)

Electrical & Computer Engineering

Energy Systems Engineering (Cascades)

Industrial Engineering

Mechanical Engineering

General Engineering (for First-Year Students)

Outdoor Products (Cascades)

Engineering Sciences (Cascades)

College of Forestry

(Peavy 116, 541-737-1594)

Forest Engineering

Forest Engineering/Civil Engineering

Forestry

Forest Restoration & Fire Forest Management

Forest Operations Management

Natural Resources

Numerous Interdisciplinary options – see College website

Tourism, Recreation, & Adventure Leadership

Outdoor Recreation Management (Corvallis)

Sustainable Tourism Management (Corvallis)

Nature, Eco, and Adventure Tourism (Cascades)

Adventure Leadership Education (Cascades)

Wood Innovation for Sustainability

Art & Design Marketing & Management

Science & Engineering

College of Liberal Arts

(Bexell 214, 541-737-0561)

American Studies (Cascades)

American Culture and Identities Culture and Natural Environments

General American Studies Pre-Law Studies

Liberal Studies (Corvallis, Cascades, Ecampus)

Marine Studies (Corvallis, Newport)

Social Science (Cascades)

Community Development and Leadership

Cultures and Identities Humans and the Environment

Law and Society General Social Science

CLA School of Visual, Performing, and Design Arts

Art & Art History

Art History Studio Art Photography & Digital Studio

Music

Music Production

Music Studies

Music Education Instrumental Perf. Piano Perf. Vocal

Arts, Media & Technology (Cascades)

Graphic Design (Corvallis, Ecampus)

Theatre

OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses

Zoology (Corvallis, Ecampus)

University Exploratory Studies Program (UESP)

(Waldo Hall 102, 541-737-8144)

New and current OSU students have the option of being **undeclared** while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU. UESP does not grant degrees but serves as an academic home for students until they are ready to declare a major. UESP is available on both the Corvallis and Cascades campuses.

*Pre-Medical Studies at OSU

Students wishing to become physicians (M.D. or D.O.) *can complete an undergraduate degree in any field of study*, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of Science (Biochemistry/Biophysics, Biohealth Sciences, Biology, Chemistry, Microbiology), Engineering (Bioengineering, Chemical Engineering, Radiation Health Physics), Public Health and Human Sciences (Nutrition & Kinesiology, Public Health, Human Development & Family Sciences), Agricultural Science (BioResource Research), or Liberal Arts (English, Psychology, Philosophy, Spanish).

List subject to change – Please consult OSU's online catalog for most up-to-date information: <https://catalog.oregonstate.edu/>

*Pre-Pharmacy at OSU

As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) *can pursue any undergraduate major* as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergrads are lucky in that there is great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

*Pre-Nursing at OSU

While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor's degree at OSU before attempting to join a nursing program. This avenue honors the students' nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find "pre-nursing" listed amongst the options.

*Pre-Veterinary Medicine at OSU

Students wishing to become veterinarians (DVM) can complete an undergraduate degree in any field of study, provided they complete the necessary pre-requisite courses required by DVM programs; both Biology and Animal Science majors have formal pre-vet options. While DVM programs enroll students from diverse academic backgrounds, admission is competitive. OSU students are fortunate to be able to engage in valuable clinical experiences at OSU's Carlson College of Veterinary Medicine.

International Degree

(Bexell 214, 541-737-0561)

Now accepting students

Oregon State University Honors College

(Learning Innovation Center 450, 541-737-6400)

The Honors College (HC) is a small degree-granting college at Oregon State University where enrolled students work toward an Honors Baccalaureate degree in their academic major(s). The HC engages students in unique curricular and co-curricular experiences designed to help them explore the many opportunities offered by OSU. HC students can develop a range of interest areas through small courses and other activities, build community connections and dive deeply into a single discipline through an immersive original research project guided by a faculty mentor. The Honors College course offerings change each year to adapt to student interests and to take full advantage of the wide-ranging expertise of Oregon State University faculty. The HC is available at Corvallis, OSU-Cascades, and Ecampus.

OSU-Cascades Advising: (Tykeson Hall, 541-322-3100)
