OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses
Options within specific majors listed in italics
List subject to change – Please consult OSU’s online catalog for most up-to-date information: http://catalog.oregonstate.edu/

College of Agricultural Sciences
(Stead Hall 147, 541-737-2211)
Agricultural and Food Business Management
Agricultural Sciences
Animal Sciences
Animal Behavior  Animal Production
Animal BioHealth/Pre Professional  Equine
Rangeland Science
Biological Data Sciences
Genomics  Ecological & Environmental Informatics
Computational Biology
BioResource Research
Numerous Interdisciplinary options – see College website
Botany
Comprehensive Botany  Customizable Option
Ecology, Evolution, and Conservation
Molecular, Cellular, & Genomic Botany
Plant Pathology
Crop & Soil Science
Agronomy  Plant Breeding & Genetics  Soil Science
Environmental Economics & Policy
Fisheries and Wildlife Sciences
Food Science & Technology
Food Science  Fermentation Science
Enology & Viticulture
Horticulture
Ecological Management of Turf, Landscape, & Urban Hort.
Horticultural Research  Plant Breeding & Genetics
Sustainable Horticulture Production
Therapeutic Horticulture  Viticulture & Enology
General Horticulture (Ecampus only)
Rangeland Sciences
Habitat Management  Pastoral Systems of the World
Sustainable Livestock Ranching
Sustainable Rangeland Ecosystem Stewardship
Sustainability Double Degree (supplementary degree - paired with any primary major)

College of Business
(Austin Hall 122, 541-737-3716, studentservices@oregonstate.edu)
Accountancy
Accounting Information Systems
Apparel Design
Business Administration (Corvallis, Ecampus, Cascades, PDX)
Digital Marketing (Ecampus only)
Entrepreneurship (Corvallis only)
Family Business (Corvallis or Ecampus)
General Business (Cascades & Ecampus)
Hospitality Management (Cascades or Ecampus)
Marketing (Ecampus only)
Merchandising Management (Corvallis only)
Retail Management (Ecampus only)
Supply Chain & Logistics Management (Corvallis or Ecampus)
Business Analytics (Corvallis or Ecampus)
Digital Marketing Analytics  Human Resource Analytics
Market Research & Consumer Analytics
Business Information Systems (Corvallis or Ecampus)
Design & Innovation Management
Finance (Corvallis or Ecampus)
Hospitality Management (Cascades & Ecampus)
Interior Design
Management (Corvallis or Ecampus)
Merchandising Management
Marketing (Corvallis or Ecampus)
Supply Chain & Logistics Management
International Business can be added as an option to any of the business majors listed above
Dean’s Academy is an invitation only option for any of the Corvallis-based business majors listed above
Innovation Management Double Degree (must pair with a non-business primary major)

College of Earth, Ocean, & Atmospheric Sciences
(Wilkinson Hall 104, 541-737-1201)
Earth Sciences
Climate Science  Ocean Science  Geology
Environmental Sciences
Numerous Interdisciplinary options – see: http://ceoas.oregonstate.edu/envsci/specializations/
Geography & Geospatial Science

College of Education
(Furman Hall 104, 541-737-4661)
The College of Education offers a unique Double Degree Program (Corvallis Campus) that allows OSU students to supplement their primary degree program with a second bachelor's degree in Education. Double Degree students are eligible for a license to teach upon graduation. A standalone degree (BS) in Elementary Education is available on the OSU Corvallis-based business majors listed above
CLA School of Art & Communication
Music Production  Music Education
Instrumental Performance  Piano Performance  Vocal
Digital Communication Arts
Media Production
Arts, Media & Technology (OSU Cascades)
Graphic Design
Speech Communication
Communication  Theater Arts
CLA School of History, Philosophy, & Religion
History  Philosophy  Religious Studies
OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses
Options within specific majors listed in italics

CLA School of Language, Culture, & Society
Anthropology
   Archaeology    Biocultural Anthropology
   Cultural/Linguistic Anthropology
   General Anthropology
French       German       Spanish
Ethnic Studies
Women, Gender, & Sexuality Studies

CLAS School of Public Policy
Economics
   Managerial Economics    Mathematical Economics
Law, Economics & Policy
Political Science
   Environmental & Energy Politics    Intl. Affairs    Law & Politics
Public Policy
   Crime & Justice Studies
   Environmental & Natural Resources Sociology

CLAS School of Psychological Science
Psychology

CLAS School of Writing, Literature, & Film
English
   Creative Writing

College of Public Health & Human Sciences
(Women's Building 105, 541-737-8900)

PHHS School of Social & Behavioral Health Sciences
Public Health
   Health Management & Policy
   Health Promotion & Behavior
Human Development and Family Sciences
   Child Development    Human Services
   General Option

PHHS School of Biological & Population Health Sciences
Kinesiology
   Pre-Therapy & Allied Health
Nutrition
   Dietetics    Nutrition Health Science
   Nutrition in Foodservice, Culinary, and Food Systems

College of Science
(Kidder Hall 109, 541-737-3854)
Chemistry
   Advanced Biochemistry    Advanced Chemistry
   Biochemistry    Business Chemical Engineering
   Chemistry Education    Environmental Chemistry
   Forensic Science    Materials Science
   Pre-Medicine/Chemistry
Mathematics
   Secondary Teaching Emphasis
   Applied and Computational Mathematics
   Mathematical Biology
   Physics
   Applied Biological Chemical Computational
   Geophysics    Mathematical Optical Physics Teaching

COS School of Life Science
Biochemistry/Biophysics
   Advanced Biophysics    Neuroscience    Pre-Medicine
   Biochemistry & Molecular Biology
   Advanced Molecular Biology    Pre-Medicine
   Computational Molecular Biology
BioHealth Sciences (Pre-professional Programs)
   Clinical Lab Science    Dentistry Optometry
   *Pharmacy
   Physical Therapy    Pre-Medicine/Pre-Podiatry
   Physician Assistant
Biology
   Genetics    Marine Biology    Ecology    Physiology & Behavior
   Pre-Medicine/Biology    Pre-Dentistry/Biology
   Pre-Education/Biology    Pre-Veterinary/Biology
Microbiology
   Pre-Medicine/Microbiology    Aquatic Microbiology
Zoology

University Exploratory Studies Program (UESP)
(Waldo Hall 102, 541-737-8144)
New and current OSU students have the option of being undeclared while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU. UESP does not grant degrees but can be a temporary academic home for students until they are ready to declare a major.

*Pre-Medical Studies at OSU
Students wishing to become physicians (M.D. or D.O.) can complete an undergraduate degree in any field of study, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of Science (Biochemistry/Biophysics, Bio-Health Sciences, Biology, Chemistry, Microbiology), Engineering (Bioengineering, Chemical Engineering, Radiation Health Physics), Public Health and Human Sciences (Nutrition & Kinesiology, Public Health, Human Development & Family Sciences), Agricultural Science (BioResource Research), or Liberal Arts (English, Psychology, Philosophy, Spanish).

*Pre-Pharmacy at OSU
As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) can pursue any undergraduate major as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergrads are lucky in that there is great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

*Pre-Nursing at OSU
While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor's degree at OSU before attempting to join a nursing program. This avenue honors the students' nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find “pre-nursing” listed amongst the options.

International Degree
(Bexell 214, 541-737-0561)
The International Degree (ID) allows interested undergraduate students the opportunity to explore the international dimensions of their education. The International Degree is not currently accepting new students at this time.

Oregon State University Honors College
(Learning Innovation Center 450, 541-737-6400)
The Honors College (HC) is a small degree-granting college at Oregon State University where enrolled students work toward an Honors Baccalaureate degree in their academic major(s). The HC engages students in unique curricular and co-curricular experiences designed to help them explore the many opportunities offered by OSU. Honors undergraduates can explore a range of interest areas through small courses and dive deeply into a single discipline through an immersive original research project, guided by a faculty mentor. The Honors College course offerings change each year to adapt to student interests and to take full advantage of the wide-ranging expertise of Oregon State University faculty. The Honors College is available at Corvallis and OSU-Cascades.
