OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses
Options within specific majors listed in italics

College of Agricultural Sciences
(Strand Hall 147, 541-737-2211)
Agricultural and Food Business Management
Agricultural Sciences
Animal Sciences
  Animal Behavior  Animal Production
  Animal Bio-Health/Pre Professional  Equine
Rangeland Science
Biological Data Sciences
  Genomics  Ecological  Environmental Informatics
  Computational Biology
BioResource Research
Numerous Interdisciplinary options – see College website
Botany
  Comprehensive Botany  Customizable Option
  Ecology, Evolution, and Conservation
  Molecular, Cellular, & Genomic Botany
  Plant Pathology
Crop & Soil Science
  Agronomy  Plant Breeding & Genetics  Soil Science
  Environmental Economics & Policy
Fisheries and Wildlife Sciences
Food Science & Technology
  Food Science  Fermentation Science
  Enology & Viticulture
Horticulture
  Ecological Management of Turf, Landscape, & Urban Hort.
  Horticultural Research  Plant Breeding & Genetics
  Sustainable Horticulture Production
  Therapeutic Horticulture  Viticulture & Enology
  General Horticulture (Ecampus only)
Rangeland Sciences
  Habitat Management  Pastoral Systems of the World
  Sustainable Livestock Ranching
  Sustainable Rangeland Ecosystem Stewardship
Sustainability Double Degree (supplementary degree - paired with any primary major)

College of Business
(Austin Hall 122, 541-737-3716)
Accountancy
Business Administration
  Dean's Academy (Invitation only)  Digital Marketing (Ecampus only)
  Entrepreneurship  Family Business
General Business (OSU Cascades & Ecampus)
Hospitality Management (OSU Cascades & Ecampus)
Marketing (Ecampus only)  Merchandising Management
Retail Management (Ecampus only)  Supply Chain & Logistics Mgmt.
Business Information Systems
Finance
  Management
Marketing
International Business can be added as an option to any of the business majors listed above
Innovation Management Double Degree (must pair with a non-business primary major)
Apparel Design
Interior Design
Design & Innovation Management
Merchandising Management

College of Education
(Furman Hall 104, 541-737-4661)
The College of Education offers a unique Double Degree Program (Corvallis Campus) that allows OSU students to supplement their primary degree program with a second bachelor's degree in Education. Double Degree students are eligible for a license to teach upon graduation. A standalone degree (BS) in Elementary Education is available on the OSU Cascades campus.

College of Engineering
(Johnson Hall 114, 541-737-5236)
Architectural Engineering
Ecological Engineering
Nuclear Engineering  Radiation Health Physics
Bioengineering  Chemical Engineering
Environmental Engineering
Civil Engineering
Construction Engineering Management
Computer Science
  Computer Systems  Applied
  Electrical & Computer Engineering
  Energy Systems Engineering (OSU Cascades)
  Industrial Engineering
  Manufacturing Engineering
  Mechanical Engineering
  General Engineering (for First-Year Students)

College of Forestry
(Peavy 116, 541-737-1594)
Forest Engineering
Forest Engineering/Civil Engineering
Forestry
  Forest Restoration & Fire
Forest Management

College of Renewable Resources
(Old Main 320, 541-737-1201)
Sustainable Rangeland Ecosystem Stewardship
Forestry
  Forest Science
  Forest Health
  Natural Resources Management
  Natural Resources Policy
  Forest Operations Management
  Natural Resources
  Renewable Materials
  Advanced Wood Manufacturing  Art & Design
  Sustainability Management  Science & Engineering
  Tourism, Recreation, & Adventure Leadership
  Outdoor Recreation Management (Corvallis)
  Sustainable Tourism Management (Corvallis)
  Nature, Eco, and Adventure Tourism (Cascades)
  Adventure Leadership Education (Cascades)

College of Liberal Arts
(Bexell 214, 541-737-0561)
American Studies (Cascades)
Liberal Studies
Social Science (Cascades)
CLA School of Art & Communication
  Art & Applied Visual Arts
  Art History  Fine Arts  Photography
  Music
  Music Production  Music Education
  Instrumental Performance  Piano Performance  Vocal
Digital Communication Arts
  Media Production
  Media & Technology (Cascades)
  Graphic Design
  Speech Communication
  Communication
  Theater Arts
CLA School of History, Philosophy, & Religion
  History  Philosophy
CLA School of Language, Culture, & Society
  Anthropology
  Archaeology  Biocultural Anthropology
  Cultural/Linguistic Anthropology
  General Anthropology
  French  German  Spanish
  Ethnic Studies
  Women, Gender, & Sexuality Studies
CLA School of Public Policy
  Economics
  Managerial Economics  Mathematical Economics
  Law, Economics & Policy
  Political Science
  Environmental & Energy Politics  Intl. Affairs  Law & Politics
  Public Policy
  Sociology
  Crime & Justice Studies
CLA School of Psychological Science
Psychology
CLA School of Writing, Literature, & Film
  English

**University Exploratory Studies Program (UESP)**
(Waldo Hall 102, 541-737-8144)
New and current OSU students have the option of being undeclared while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU. UESP does not grant degrees but can be a temporary academic home for students until they are ready to declare a major.

*Pre-Medical Studies at OSU*
Students wishing to become physicians (M.D. or D.O.) can complete an undergraduate degree in any field of study, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of Science (Biochemistry/Biophysics, BioHealth Sciences, Biology, Chemistry, Microbiology), Engineering (Bioengineering, Chemical Engineering, Radiation Health Physics), Public Health and Human Sciences (Nutrition & Kinesiology, Public Health, Human Development & Family Sciences), Agricultural Science (BioResource Research), or Liberal Arts (English, Psychology, Philosophy, Spanish).

*Pre-Pharmacy at OSU*
As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) can pursue any undergraduate major as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergrads are lucky in that there is a great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

*Pre-Nursing at OSU*
While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor's degree at OSU before attempting to join a nursing program. This avenue honors the students' nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find “pre-nursing” listed amongst the options.

**College of Public Health & Human Sciences**
(Women's Building 105, 541-737-8900)

**PHHS School of Social & Behavioral Health Sciences**
Public Health
  - Health Management & Policy
  - Health Promotion & Health Behavior

Human Development and Family Sciences
  - Child Development
  - Human Services
  - General Option

**General Option**

**PHHS School of Biological & Population Health Sciences**
Kinesiology
  - Pre-Therapy & Allied Health
Nutrition
  - Dietetics
  - Nutrition Health Science
Nutrition & Foodservice Systems

**College of Science**
(Kidder Hall 109, 541-737-3854)

**Chemistry**
  - Advanced Biochemistry
  - Advanced Chemistry
  - Biochemistry
  - Business
  - Chemical Engineering
  - Chemistry Education
  - Environmental Chemistry
  - Forensic Science
  - Materials Science
  - Pre-Medicine
  - Chemistry

**Mathematics**
  - Secondary Teaching Emphasis
  - Statistics
  - Applied and Computational Mathematics
  - Mathematical Biology

**Physics**
  - Applied Biological Chemistry
  - Computational Mathematical Physics
  - Teaching

**COS School of Life Science**
Biochemistry/Biophysics
  - Advanced Biophysics
  - Neuroscience
  - Pre-Medicine

Biochemistry & Molecular Biology
  - Advanced Molecular Biology
  - Pre-Medicine
  - Computational Molecular Biology

BioHealth Sciences (Pre-professional Programs)
  - Clinical Lab Science
  - Dentistry
  - Optometry
  - *Pharmacy*
  - Physical Therapy
  - Pre-Medicine/Pre-Podiatry

*Biology*  
  - Genetics
  - Marine Biology
  - Ecology
  - Physiology & Behavior

Pre-Medicine/Biology
  - Pre-Dentistry/Biology
  - Pre-Education/Biology
  - Pre-Veterinary/Biology

Microbiology
  - Pre-Medicine/Microbiology

Zoology

**Oregon State University Honors College**
(Learning Innovation Center 450, 541-737-6400)
The Honors College (HC) is a small degree-granting college at Oregon State University where enrolled students work toward an Honors Baccalaureate degree in their academic major(s). The HC engages students in unique curricular and co-curricular experiences designed to help them explore the many opportunities offered by OSU. Honors undergraduates can explore a range of interest areas through small courses and dive deeply into a single discipline through an immersive original research project, guided by a faculty mentor. The Honors College course offerings change each year to adapt to student interests and to take full advantage of the wide-ranging expertise of Oregon State University faculty. The Honors College is available at Corvallis and OSU-Cascades.

**International Degree**
(Bexell 214, 541-737-0561)
The International Degree (ID) allows interested undergraduate students the opportunity to explore the international dimensions of their education. The International Degree is not currently accepting new students at this time.

University Exploratory Studies Program (UESP)
(Waldo Hall 102, 541-737-8144)
New and current OSU students have the option of being undeclared while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU.
