OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses
Options within specific majors listed in italics

College of Agricultural Sciences
(Stride Hall 147, 541-737-2211)
Agricultural and Food Business Management
Agricultural Sciences
Animal Sciences
Animal Behavior Animal Production
Animal BioHealth/Pre Professional Equine
Rangeland Science
BioResource Research
Numerous Interdisciplinary options:
http://agsci.oregonstate.edu/brr/students/options
Botany
Comprehensive Botany Customizable Option
Ecology, Evolution, and Conservation
Molecular, Cellular, & Genomic Botany
Plant Pathology
Crop & Soil Science
Agronomy Plant Breeding & Genetics Soil Science
Environmental Economics & Policy
Fisheries and Wildlife Sciences
Food Science & Technology
Food Science Fermentation Science
Ecology & Viticulture
Horticulture
Ecological Management of Turf, Landscape, & Urban Hort.
Horticultural Research Plant Breeding & Genetics
Sustainable Horticulture Production
Therapeutic Horticulture Viticulture & Enology
General Horticulture (Ecampus only)
Rangeland Sciences
Habitat Management Pastoral Systems of the World
Sustainable Livestock Ranching
Sustainable Rangeland Ecosystem Stewardship
Sustainability Double Degree (supplementary degree - paired with any primary major)

College of Business
(Austin Hall 122, 541-737-3716)
Accountancy
Accounting Information Systems
Business Administration
Dean’s Academy (Invitation only) Digital Marketing (Ecampus only)
Entrepreneurship Family Business
General Business (OSU Cascades & Ecampus)
Hospitality Management (OSU Cascades & Ecampus)
Marketing (Ecampus only) Merchandising Management
Retail Management (Ecampus only) Supply Chain & Logistics Mgmt.
Business Information Systems
Finance Management Marketing
International Business can be added as an option to any of the business majors listed above
Innovation Management Double Degree (must pair with a non-business primary major)
Apparel Design
Interior Design
Design & Innovation Management Merchandising Management
College of Earth, Ocean, & Atmospheric Sciences
(Wilkinson Hall 104, 541-737-1201)
Earth Sciences
Climate Science Ocean Science Geology
Environmental Sciences
Numerous Interdisciplinary options – see:
http://geoas.oregonstate.edu/envsci/specializations/
Geography & Geospatial Science
College of Education
(Furman Hall 104, 541-737-4661)
The College of Education offers a unique Double Degree Program (Corvallis Campus) that allows OSU students to supplement their primary degree program with a second bachelor’s degree in Education. Double Degree students are eligible for a license to teach upon graduation. Interested students should stop by Furman Hall 104. A standalone degree (BS) in Elementary Education is available on the OSU Cascades campus.
College of Engineering
(Johnson Hall 114, 541-737-5236)
Architectural Engineering
Ecological Engineering
Nuclear Engineering Radiation Health Physics
Bioengineering Chemical Engineering
Environmental Engineering
Civil Engineering
Construction Engineering Management
Computer Science
Computer Systems Applied Electrical & Computer Engineering
Energy Systems Engineering (OSU Cascades)
Industrial Engineering Manufacturing Engineering
Mechanical Engineering
General Engineering (for First-Year Students)
College of Forestry
(4th Floor Snell Hall, 541-737-1592)
Forest Engineering
Forest Engineering/Civil Engineering
Forestry
Forest Restoration & Fire Forest Management
Forest Operations Management
Natural Resources
Numerous Interdisciplinary options – see College website
Renewable Materials
Advanced Wood Manufacturing Art & Design
Marketing & Management Science & Engineering
Tourism, Recreation, & Adventure Leadership
Outdoor Recreation Management (Corvallis)
Sustainable Tourism Management (Corvallis)
Nature, Eco, and Adventure Tourism (Cascades)
Adventure Leadership Education (Cascades)
College of Liberal Arts
(Bexell 214, 541-737-0561)
American Studies (OSU Cascades)
Liberal Studies liberalarts.oregonstate.edu/advising/liberal-studies
Social Science (OSU Cascades)
CLA School of Art & Communication
Art & Applied Visual Arts
Art History Fine Arts Photography
Music
Music Production Music Education Instrumental Performance Piano Performance Vocal
Digital Communication Arts Media Production
Graphic Design
Speech Communication Communication Theater Arts
CLA School of History, Philosophy, & Religion
History Philosophy Religious Studies
CLA School of Language, Culture, & Society
Anthropology
Archaeology Biocultural Anthropology
Cultural/Linguistic Anthropology General Anthropology
French German Spanish
Ethnic Studies
Women, Gender, & Sexuality Studies
CLA School of Public Policy
Economics
Managerial Economics Mathematical Economics Law, Economics & Policy
Political Science Environmental and Energy Politics International Affairs Law and Politics
Public Policy Sociology
Crime & Justice Studies Environmental & Natural Resources Sociology
CLA School of Psychological Science
Psychology
CLA School of Writing, Literature, & Film
English

Microbiology
Pre-Medicine/Microbiology Aquatic Microbiology
Zoology

University Exploratory Studies Program (UESP)
(Waldo Hall 102, 541-737-8144)
New and current OSU students have the option of being undeclared while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect on university experiences as they relate to major options at OSU. UESP does not grant degrees but can be a temporary academic home for students until they are ready to declare a major.

*Pre-Medical Studies at OSU
Students wishing to become physicians (M.D. or D.O.) can complete an undergraduate degree in any field of study, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of Science (Biochemistry/Biophysics, BioHealth Sciences, Biology, Chemistry, Microbiology), Engineering (Bioengineering, Chemical Engineering, Radiation Health Physics), Public Health and Human Sciences (Nutrition & Kinesiology, Public Health, Human Development & Family Sciences, Agricultural Science (BioResource Research), or Liberal Arts (English, Psychology, Philosophy, Spanish).

*Pre-Pharmacy at OSU
As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) can pursue any undergraduate major as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergraduates are lucky in that there is great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

*Pre-Nursing at OSU
While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor’s degree at OSU before attempting to join a nursing program. This avenue honors the students’ nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find “pre-nursing” listed amongst the options.

International Degree
(Bexell 214, 541-737-0561)
The International Degree (ID) allows interested undergraduate students the opportunity to explore the international dimensions of their education. The International Degree is not currently accepting new students at this time.
